Hi Onni and sorry for the delay.

Enclosed please find my correction to the agreement. From a client support point of view:

1. Ellie is the client service contact person. All clients contact her first and she responds to support@tact.com
2. Shaul Bergfeld and myself are the technical support people. Ellie will pass all issues to us first.
3. Vegasoft should be contacted for Level II support only.

Talk to you and see you soon.

Thank You Very Much and Enjoy Life, Shmill
